**Attention: Risk Management Director and O.R. Materials Management**

Dear Valued Customer:

The purpose of this letter is to advise you that Medtronic is recalling specific item codes and production lots of Polysorb™ braided absorbable suture, Endo Stitch™ loading unit with Polysorb™ suture, Maxon™ monofilament absorbable suture, and Biosyn™ monofilament absorbable suture.

**Issue Description:**

This Field Safety Corrective Action (FSCA) is being conducted due to the potential for an incomplete seal on the inner package, which may result in premature degradation of the suture material. The use of products with this condition may increase the potential for the suture to break. This packaging defect does not impact the sterility of the product. There have been no reports of serious injury associated with these issues.

Medtronic requests that you quarantine and return any unused products of the items/lots detailed below. Unused products from the affected item codes and lots should be returned as described in the Required Actions section below. If you have distributed the Polysorb™ braided absorbable suture, Endo Stitch™ loading unit with Polysorb™ suture, Maxon™ monofilament absorbable suture, Biosyn™ monofilament absorbable suture listed on Attachment A, please promptly forward the information from this letter to those recipients. All unused products from the affected item codes and lots must be returned.

This FSCA affects only the item codes and lots listed on Attachment A.

This action is being taken with the knowledge of the [Insert name of local Competent Authority]. Please maintain awareness on this notice and resulting action for an appropriate period to ensure effectiveness of the corrective action. We request that you contact Medtronic if you experienced quality problems or adverse events.

- Email Medtronic Regulatory Affairs at: [XXXXX@Medtronic.com](mailto:XXXXX@Medtronic.com)

**Actions:**

1. Please quarantine and discontinue use of the affected item codes and lots listed on Attachment A.
2. Please return affected product as follows:
